LYNCHING IS NOT LAWFUL

But it is as Moral as Saving Criminals from Merited Punishment Through Legal Technicalities

Chicago, March 24.—A dispatch to the Record-Herald from Kansas City says: "A man commits a crime so revolting that it shocks the morals of people just hear about it, then that man can go scot free."

This was the statement made by Judge Woodford in the criminal court yesterday. He had before him John Martin Speyer, of New Orleans, twice convicted of murdering his little boy and twice given a new trial by the supreme court. Angered at the action of a higher tribunal he refused to try the case again and called in another judge.

Speyer killed his 3-year-old boy in July, 1902. The man was a performer with a street show, and Speyer had been arrested for attempting to assault a little girl, and on his own child's throat when allowed by the officers to visit his tent. On the first trial he was sentenced to twenty years for second degree murder, and on the second trial to hang. Both times the supreme court granted a new trial.

Cured Hemorrhages of the Lungs
"Several years ago my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind., "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. Sold by the Postoffice Dispensary.

NOTED FEMALE PHYSICIAN

Died at Her Home in Denver, Colo., Last Night

Denver, Colo., March 24.—Dr. Jessie M. McGregor, the noted Scotch physician, died at her home in this city last night of cerebral spinal meningitis. She was the possessor of the highest degree ever attained by a female physician.

A FRIEND THAT WAS A FRIEND

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than twenty years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc. Sold by the Anti-Monopoly Dispensary.

MAYFLOWER IN FERNANDINA

Yacht is There Waiting the Arrival of Mrs. Roosevelt and Children

Fernandina, Fla., March 24.—The United States steamer Mayflower, commanded by Lieutenant Commander Long, arrived here yesterday and awaits the arrival of Mrs. Roosevelt and members of the family for a trip in southern waters.

THE BEST COUGH SYRUP

S. L. Apple, ex-probate judge, Ottawa, Kan., writes: "This is to say that I have used Ballard's Horehound Syrup for years, and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, 50c, and \$1 at all druggists.

BETTER THAN OSERIZING

Chicago, March 24.—The Anti-Age Limit Club believes it has solved the problem with the men who are unable to obtain employment in Chicago because they have passed the "age limit." If the plans now under way are successful such men are to be sent in great numbers to colonies in Canada and Florida, where they will become ministers, school teachers or business men of newly created towns.

Negotiations are now being carried on by James F. Downey, president of the league, with the managers of three colonization projects, one of which owns land in northwestern Canada, another a tract three and a half miles from Tampa, Fla., and a third area on the eastern coast of Florida. The towns are to be created here by parties of colonists.

GET THE RIGHT KIND

If you are troubled with piles and can't find a cure, try Witch Hazel Salve, but be sure to get that made by E. C. DeWitt & Co., Chicago. It is the original. If you have used Witch Hazel Salve without being relieved it is probable that you got hold of one of the many worthless counterfeits that are sold on the reputation of the genuine DeWitt's Hazel Salve. Sold by Anti-Monopoly Dispensary.

IN JAIL FOR WIFE MURDER

H. B. Shaw, a boiler maker, formerly of High Springs, is in jail at Brunswick, Ga., on the charge of causing the death of his wife. The woman died Wednesday and her body showed the traces of a severe beating. Shaw is the man who recently settled the strike of engineers and firemen on the Atlantic and Birmingham Railway, by being an engineer at that time.

A Safe Cough Medicine for Children

In buying a cough medicine for children never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always sure to follow. It is especially valuable for colds, croup and whooping cough. For sale by the Postoffice Dispensary.

IN DARKEST FLORIDA

Preacher—Hunting on Sunday? Has he not the fear of the Lord with him? Old Lady—Yas, you bet he has, he always takes his gun with him. Preacher—I see you are not very much enlightened here. Lady—No, we ain't, but I told Jake we ought to have another window a long time ago, but he was too poorly to put it in.

Preacher—Madam, did you know that Christ died for you?

Lady—You don't say? I didn't even know he was sick. That is what comes of takin' no papers.—Exchange.

"TO CURE A FELON"

says Sam. Kendall, of Phillipsburg, Kan., "Just cover it over with Bucklen's Arnica Salve and the Salve will cure the rest." The woman died, boils, sores, scalds, wounds, piles, eczema, salt rheum, chapped hands, sore feet and sore eyes.—Daily Star at Tydings & Co's Dispensary. Guaranteed.

ANNOUNCEMENTS

FOR TAX COLLECTOR

To the Marion County Democracy:

Believing that I have filled the position of tax collector for state and county during my occupancy of the office acceptably to a large majority of the tax payers of the county, I announce myself as a candidate for re-election, subject to the action of the county democracy in the primaries of May 15, next. From the present time until the primary comes off will be my busiest season in the office. So much so that it will be impossible for me to neglect my duty to the public in order to make a personal canvass of the county. It would be a pleasure to me to meet the people at the various meetings that will be held in the county. I will be arranged by the county democratic executive committee to take place over the county within the next two months, but I think that all good citizens who know me will understand that it is duty before pleasure with me. I submit my candidacy upon my official record and if elected for another term of office, I will do my duty as I have in the past.

Very Respectfully,
E. L. Carney.

To the Citizens of Marion County:

As I am engaged in the active administration of the duties of the of-

ice it will not be possible for me to make an active or extended campaign. I solicit the support of the democratic electors of Marion county, and pledge to them an honest, faithful and upright administration of the duties of the office if it be their desire that I shall again serve them.

FOR TAX ASSESSOR

To the Democratic Voters of Marion County.—At the solicitation of some of my friends (I believe myself that county officials should be changed occasionally) I hereby announce myself a candidate for tax assessor for Marion county, subject to the democratic primary to be held May 15th, 1906. THE ISTHMIAN EXPOSITION

T. J. Laud-Brown is in Washington, Working for an Appropriation. Jamestown May Get \$1,500,000

Washington, March 24.—The house committee on industrial exposition agreed to recommend an appropriation of \$1,500,000 for the Jamestown exposition at Norfolk, Va.

The hearing on the Tampa exposition bill has been postponed until next Wednesday, and it is expected that the Sparkman bill will pass. The prospects for the exposition appropriation are growing brighter daily.

Col. T. J. Laud-Brown, who has been here in the interest of the Tampa bill for some time, expected to leave last night, but will remain until after the committee hearing. He is well supported by the Florida congressional delegation.

GIVES HEALTH, VIGOR AND TONE

Herbline is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shriell, Middleborough, Ill., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbline. I hope never to be without it. I have wished that I had known of it in my husband's life time." 50c. at all druggists.

UNEXPECTED COMPETITION

Standard Oil Company Loses a Launch to a Gang of Pirates

Hong Kong, March 24.—A launch owned by the Standard Oil Company was seized and looted by pirates near Canton yesterday. The pirates secured a number of Winchester rifles and 1,000 rounds of ammunition. A United States gunboat is proceeding to the scene of the piracy.

NATURE SPARES

The Stricken Rose From Grief

What a fortunate provision of nature it is, that deprives the rose of mental suffering for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be germs or parasites that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to the Herpicide Co., Detroit, Mich. Tydings & Co., Special Agents, Ocala, Fla.

SECONDS THE MOTION

Editor Star:—Dear Sir:—Please allow me space in your paper to add a few words to Peter Stanley's statement in regard to Dr. S. H. Blitch for governor of the state of Florida. I will venture to say that a nobler, more honest and sincere man cannot be found in the state. I don't think the governor's chair will be properly filled without him. Hurrah for Dr. S. H. Blitch. Morgan P. Dixon.

THE TEXAS WONDER

WRATH OF THE WAVES

During the Winter, They Dashed 54 Ships Against New England Rocks and Claimed 80 Lives

Boston, Mass., March 24.—Eighty lives were lost and fifty-four ships were wrecked along the coast of New England and maritime provinces during the past winter. Of the vessels wrecked thirty-seven were sailing craft and nine steamships and eight barges complete the list. The ships flying the British flag led those of other nations, with a loss of twenty-seven craft against fifteen of American register. There is also a sprinkling of Norwegian, German and Swedish vessels. The worst disaster was the sinking of the steamer British King off Sable Island on March 11th, when it is estimated that twenty-six lives were lost. Many vessels are overdue and the actual fate of some may not be learned for several weeks.

INVALUABLE FOR RHEUMATISM

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24, 1906—John C. Degnan, Kinsman, Ill. 25c, 50c, and \$1 at all druggists.
